TUART HILL WA 6000

To Whom It May Concern

My name is Claire Howard and I am the Home Economics teacher at Servite Catholic College. I have had the 'Baby Think it Over' program, now delivered by Red Ginger Services, in the Year 2015 for my Year 10 Family, Community and You students. I have had this program for the last six years.

The program covers important health awareness information and is a unique experience for the students as it allows them to understand first-hand the demands of becoming a parent at a young age.

I recommend the program to other schools and community groups who are interested in engaging the students in an interactive and interesting way, with the often difficult, but necessary subject matter of sexual health.

Yours sincerely

Ms Claire Howard  
**TEACHER – SERVITE COLLEGE**
