8th September 2015

To Whom it May Concern,

Virtual Parenting has been supplying Christina Self with RealCare Babies for use in the Baby Think it Over program since 2011.

Virtual Parenting has worked closely with Christina helping to service and maintain the RealCare Babies she uses in the program she ran with Panorama Health.

Christina is now delivering the Baby Think It Over Program via Red Ginger Services and we are looking forward to supporting Christina as she continues a very valuable service that is offered to schools in Perth.

Kind Regards,

Steve Pratt
Director,
Virtual Parenting
