

CPR Training

A skill that has been proven to
save lives

**Learn a practical skill in a
relaxed and fun environment!**

Classes (up to 15 participants):

- Full Course 3.5 — 4 hrs
- Refresher 2 — 2.5 hrs

The course is suitable for:

- Young people
- Parents and families
- Workplace health and safety

Participants will receive a Certificate of Completion issued by our registered training organisation, *Royal Life Saving Society of Western Australia*.

**Sessions are run by qualified
Resuscitation Trainers and delivered
onsite in:**

- Schools
- Workplaces
- Community halls
- Churches
- Private homes

Please note this is community based training only, and is not suitable if formal units of competency are required.
